

This is to inform you that K-Love radio is a valuable enterprise in my area. It carries a strong signal, provides relevant information regarding news and upcoming area events, and positive musical entertainment. I cannot imagine how unhappy I myself, and many other citizens would be if K-LOVE were to be displaced by an LPFM station. I am a strong supporter of the radio station and would definitely feel that its interference would take away my listening rights. K-LOVE offers something that few other stations offer. Without any advertising on K-LOVE, my family and I are not bombarded with the things we don't want to listen to, we can trust the integrity of the station to play music that is wholesome for everyone, and we can be informed of events that are relevant for my family and friends' interests.
